**TECHNICAL DATA SHEET**

**GERM-A-STAT**

**ANTI-BACTERIAL SKIN CLEANER**

Germ-A-Stat is formulated to provide extra gentle cleaning while reducing bacteria that can cause disease. Specially formulated with mild cleaning ingredients and enriched with moisturizers, like lanolin, propylene glycol, and aloe vera, to leave hands feeling soft and smooth even after repeated washes. Its pleasant refreshing scent and rich lather help encourage frequent hand washing.

**ADVANTAGES**

- Specially formulated with mild cleaning ingredients and enriched with moisturizers like lanolin, propylene glycol, and aloe vera to leave hands feeling soft and smooth even after repeated washes.

- Its pleasant scent and rich lather encourage longer and more frequent washing.

- Contains PCMX (Para-chlor-meta-xylenol) to reduce bacteria that can cause diseases.

- Balanced pH reduces potential for irritation. Rich lather produces pleasant feel.

- Perfect for use in hospitals, nursing homes, physician’s offices, grocers deli and meat departments, schools, daycares, office buildings, mail rooms, and public restrooms.

**DIRECTIONS**

To decrease bacteria on skin, ready to use. Do not dilute. For use by health care personnel in between patient contact to reduce incidence of nosocomial infection.

**Health Care Personnel Handwash:**

1. Wet skin and spread a small amount on hands and forearms.
2. Scrub well, rinse thoroughly and dry.  
*For external use only.*
